

# EXCELIVING TRAINING PROGRAMME

- A webinar series for SMEs with an international outlook

**Made by the EXCELIVING partners:**

Ambit Living Spaces Cluster, Cluster Habitat Sustentável,  
Smartech Cluster, Transylvanian Furniture Cluster and  
Danish Life Science Cluster

Co-funded by the COSME programme  
of the European Union

*This project has received funding from the  
European Union's COSME programme under  
Grant Agreement no. 101037887*

# ABOUT THE.. TRAINING PROGRAMME

On behalf of the EXCELIVING Partners, I am excited to share this E-book with you.

The purpose of the e-book is to offer an innovative programme of webinars addressed to cluster's members, to increase their competitiveness and internationalisation opportunities, and essentially enhance a smarter, more age-friendly and greener habitat value chain and its sectors.

You will find training webinars on the topics of digitalisation, advanced technologies, management, sustainability and internationalisation.

All the webinars are facilitated by highly qualified experts, so I am sure that you will learn something new.

Happy learning!

Nanna Broch Mortensen, Project Manager  
Danish Life Science Cluster

# #1

## Introduction to sustainable value chain management

- How do you make the value chain in your company more sustainable? And what are the minimum requirements in relation to, for example, compliance with human rights and the environment? Watch and learn about 'due diligence' and 'six steps' in sustainability
